## Engineered Building Systems to Represent Nortek Air Solutions in Philadelphia Area

---

Engineered Building Systems (EBS), a leading manufacturer's representative in Eastern Pennsylvania, now proudly represents Nortek Air Solutions (NAS) in the Philadelphia and South New Jersey markets. EBS currently represents NAS throughout all of Eastern PA. The addition of this territory solidifies EBS's position as a leader in the custom AHU market.

Since its founding in 2003, Engineered Building Systems has grown into a well-established, leading provider of heating, ventilating, and air conditioning equipment in the commercial, industrial, healthcare, and hospitality markets, representing many manufacturers of quality mechanical equipment.

Over the past 14 years, EBS has expanded significantly, adding three additional physical offices. EBS now serves the Wilkes-Barre/Scranton market, Allentown/Lehigh Valley market, Harrisburg/Central PA market, and Philadelphia/South Jersey market.

Below are the brands now represented by EBS Philadelphia.
